

April 4 Newsletter

Happy April! Our Star of the week is Cole!

News: Thank you to everyone who remembered to send toothbrushes/toothpaste for the shelter Friday.

This Friday we will be sending sack lunches, so please plan to participate. Rice Bowls can be brought in during Holy Week. Please do not put names on Rice Bowls.

Playground Toys: The only toys I allow at school are toys for the playground that promote movement. Balls and jump ropes with names on them are perfect!

Curriculum Overview

Our overall theme for this week is the new life that comes with Spring. Easter Bunny types of activities will be done this week, and more serious activities will be done during Holy Week.

Literacy: Our new words this week are: have one ask help every walk.

Religion: We will attend Mass in person on Wednesday. Perfect uniform and perfect manners should come to school!

Math: We completed our chapter on measurement, and will begin a new chapter on classifying objects

Have a great week!

Mrs. Crockett
