

May 23 Newsletter
Hello Parents,

It was nice to see some sun this weekend! Here is where we are in Kindergarten...

Thank you to all of the excellent **readers** so far. It is a really nice way to end the kindergarten year, so we need 100% participation.

Time Capsule Letters: Please let me know if you are still expecting letters. You are also welcome to send a small item for the box that symbolizes Kindergarten. Please label everything for “Time Capsules”.

Field Day: This Friday is our Field Day at Hiawatha. We will walk there and back, so please send your child in comfortable shoes for walking and participating in games. Fishy Crackers will be provided as a snack, but each child will need a water bottle clearly labeled with a name. Our Class color is blue, so if your child has something blue, they should wear it. We will dismiss from school at noon, for the Holiday weekend!

Thank you!
Mrs. Crockett
